The 3 year Xploit project aims to build capacity in local communities to develop into learning communities by addressing lifelong learning at a systematic level, exploiting European learning resources and along these processes establish new communication infrastructures in the communities. Communities from Spain (Salt Catalonia), the UK (Swansea), Hungary (Nagykovácsi), Italy (Udine) and Romania (Iasi) are the Xploit practice communities. The project is coordinated in Denmark, and Die Berater from Austria is the project's quality assurance partner.

The Xploit project participates in open dialogues on learning cities at European and global level.
